Al Azhar College of Arts & Science's academic and IT infrastructure meets every essential standard for a modern institution. It offers	

flexible, **four-year undergraduate programs**, is registered with the **Academic Bank of Credits**, and embraces national online learning platforms like **SWAYAM** and **NPTEL**. Students can choose from numerous online and **MOOC courses**, while faculty **contribute to question banks** and innovative assessment methods.

Collaboration is central, with **active partnerships for research projects, internships and apprenticeships**. Dedicated **research departments** and **innovation cells** to promote start-ups, patents, and publications, and ongoing industry partnerships ensure students gain practical, job-ready skills.

The campus is digitized. There is a **dedicated IT center, campus-wide Wi-Fi coverage** and **cloud access**, and use of advanced LMS and ERP systems for academic and administration tasks. **Smart classrooms, free Perplexity AI Pro support for students and faculties**, and digital tools are standard.

Altogether, the institution is well-prepared for the demands of technology-enabled education, combining robust use of technology with progressive teaching, research, and student support at every level.

6.6.11. Write a brief summary on Digital Policy followed by the Institution(Not more than 200 words)

AI Azhar College of Arts & Science Digital Infrastructure and Usage Policy

Objectives: To provide robust IT infrastructure including campus-wide high-speed Wi-Fi, cloud-based platforms, secure VPN access, and effective Learning Management Systems and ERP software. To facilitate digital literacy, promote online learning through recognized platforms, and maintain data privacy and cybersecurity standards. To foster digital transformation aligned with national initiatives such as Digital India and NEP 2020.

Scope: This policy applies to all faculty, students, staff, and administrative units involved in academic and operational activities across the campus.

Responsibilities: The IT department shall oversee infrastructure maintenance, cybersecurity enforcement, and user support. Academic departments are responsible for integrating digital tools into curricula and research. Administration will ensure compliance with data protection and digital resource management.

Implementation: The institution utilizes cloud services (Google Cloud), licensed software for academic use, and smart campus technologies including IoT-enabled classrooms and AI-powered services. Regular reviews and updates of digital resources and policies ensure adaptability to emerging technologies and compliance with regulatory guidelines.
